@ 6:45 pm

Pass Off Info:

*Gymnasts need to spend at least 3-6 months in a level before coming to pass off night. A 6 – 12 month period is common.

*Pass Off nights are held the 2nd or 3rd week of each month.

*Skipping levels or moving too quickly through them is VERY detrimental to the gymnast.

Fall Schedule Begins

Monday, August 31st

*The Fall Flier is available in registration and attached to this newsletter.

*Most class days will stay the same.

*Wednesday afternoon classes will be moved back to Saturday.

*Each gymnast currently enrolled will be guaranteed a spot in their current class for September as long as tuition is paid by Aug 20th.

*Due to class time changes, ALL blue envelopes must be turned into the Registration

Tuition Changes:

There will be a slight tuition increase beginning with September's tuition. Please note the new prices on your blue envelope. The new prices are listed on the flier attached to this newsletter.

Spectators:

We greatly encourage family and friends to watch their gymnast during class **time. For everyone's safety, please sit in the above mezzanine area and closely supervise any children not participating in class.**

Changes are coming for fall! A detailed schedule of this "conversion" is on the back of the newsletter. If you would like to transfer to a different time or day, please do the following:

1. Sign up for the guaranteed class
2. Complete and turn in a "Transfer Request Form" into registration for the desired class (forms are available in the registration office).
3. If a spot is available in your desired class, Registration will be contacting you between August 24-25.
4. Any tuition difference will be due at that time.
5. This transfer will be for September's tuition
